Order A Traditional Christmas Cake

Treat yourself to a traditional English Christmas Cake just like my mother-in-law makes. We use all natural ingredients including real butter and dark sugar. Our gluten-free Christmas Cake is very rich, moist, full of currants, sultanas, raisins, mixed fruit, candied cherries, nuts and spices all of which come together to create a cake that makes the perfect holiday dessert. We make

our own almond marzipan and place a generous layer over each cake. The cake is then covered with Royal Icing. The cake is prepared several weeks ahead in order to obtain the perfect mixture of flavours.
